## Monster Lullaby

1. Say good-night, little monsters,  
Little monsters, say good-night,  
Dream your monsterful dreams  
And sleep frightfully tight.
2. Time for bed, little monsters,  
Brush your teeth and your claws  
All you big ones and small ones,  
Scrub your grimy-greasy paws.
3. Go to sleep, little monsters,  
Sing your monster lullabies;  
Crawl back under the cobwebs,  
Close your eight little eyes.  
  
*Oh, send them all to bed,  
Sing them all to sleep,  
Wish them all sweet nightmares  
As they count their monster sheep.*
4. Are you tired, little monsters?  
Lay your head on the floor;  
In your monster pajamas  
May you happily snore.  
  
*Oh, send them all to bed,  
Sing them all to sleep,  
Wish them all sweet nightmares  
As they count their monster sheep.*
5. Take your grimy old blanky,  
Get your gross little bear,  
Crawl back under your rock and  
Say your monsterful prayers.
6. Hug your ugly dust bunny,  
Sing your monsterful screams;  
Go to sleep, little monsters,  
In the land of your dreams.  
  
*Oh, send them all to bed,  
Sing them all to sleep,  
Wish them all sweet nightmares  
As they count their monster sheep.*
7. Go to sleep, Cookie Monster,  
Go to sleep, Frankenstein,  
Go to sleep, all you Wild Things,  
All you monster friends of mine.  
  
*Oh, send them all to bed,  
Sing them all to sleep,  
Wish them all sweet nightmares  
As they count their monster sheep.*
