

Monster Lullaby

Sing this bedtime song sweetly — or with the most monstrous voice you can manage!

1. Say goodnight, little monsters,
Little monsters, say goodnight,
Dream your monstrous dreams
And sleep frightfully tight.

2. Time for bed, little monsters,
Brush your teeth and your claws;
All you big ones and small ones,
Scrub your grimy-greasy paws.

3. Go to sleep, little monsters,
Sing your monster lullabies;
Crawl back under the cobwebs,
Close your eight little eyes.

*Oh, send them all to bed,
Sing them all to sleep,
Wish them all sweet nightmares
As they count their monster sheep.*

4. Are you tired, little monsters?
Lay your head on the floor;
In your monster pajamas
May you happily snore.

5. Take your grimy old blanky,
Get your gross little bear,
Crawl back under your rock and
Say your monstrous prayers.

6. Hug your ugly dust bunny,
Sing your monstrous screams;
Go to sleep, little monsters,
In the land of your dreams.

*Oh, send them all to bed,
Sing them all to sleep,
Wish them all sweet nightmares
As they count their monster sheep.*

7. Go to sleep, Cookie Monster,
Go to sleep, Frankenstein,
Go to sleep, all you Wild Things,
All you monster friends of mine.

*Oh, send them all to bed,
Sing them all to sleep,
Wish them all sweet nightmares
As they count their monster sheep.*
